

Endless Bifocal Lenses

Endless Bifocal lenses are available in 2 segment diameters to meet your unique visual needs.

Endless Bifocal | Round

This solution is perfect for those who already wear bifocal lenses and want easy adaptation to their new eyeglasses.

Endless Bifocal | Wide

This configuration is ideal for current wearers of wide segment conventional or executive bifocals.

Consult your eyecare professional for more information on Endless Bifocal lenses.

**Improved aesthetics
with Endless Bifocal Lenses**

Virtually invisible segment line

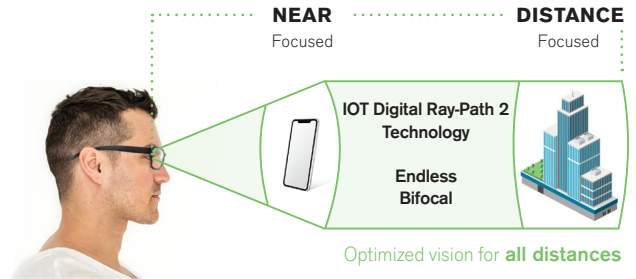

Endless Bifocal lenses are created with advanced digital technology. Digital processing ensures the **segment line is virtually invisible for noticeably better aesthetics**. You'll experience **precise and comfortable vision and easy transition** between the near and distance zones.

Benefits

- Wide areas of view at near and distance, free of peripheral blur
- Better aesthetics, less visible segment line
- Easy transition between visual fields
- Precise and comfortable focusing, especially when using electronic devices
- Near elimination of peripheral blur
- Countless lens material and treatment options
- High-value solution

A lens adapted to any situation

Endless Bifocal lenses include IOT Digital Ray-Path 2 Technology. This patented innovative technology personalizes your lenses, for **crisp vision at all distances**.

Always personalized

Endless Bifocal lenses are fully personalized and compensated for 3,149 individual directions of gaze. Many **elements that are unique to you are utilized** in the creation of the design to provide **crisp, clear vision throughout the entire lens**.
