# SIDE SHIELDS. WE'VE GOT YOU COVERED.

To protect your eyes from workplace hazards, if required, side shields are included with all Armourx frames.

## ARMOURX SIDE SHIELDS ARE:

- Impact resistant
- Resistant to lens cleaning chemicals
- Durable - will not crack or craze over time

Each side shield is designed to fit a specific frame. Permanently attached side shields are attached with a decorative rivet. Permanent side shields are attached at the factory, so you won't have to worry about extra little parts needed, or riveting.

# SPARE PARTS

Armourx does not offer replacement temples or fronts. If a frame has been significantly damaged as to require the replacement of a major component, it is impossible to determine if the integrity of the entire frame has been compromised, making the frame unsafe or non-compliant.

**PLEASE NOTE** that we do provide replacement nose pads, temple tips and screws.

# EYEWEAR WARRANTY POLICY
