Do you use several devices at the same time?

We spend an average of 11 hours per day in front of a screen, and viewing digital devices is on the rise. Have you noticed eyestrain, headaches, blurred vision, dry eyes or neck and shoulder pain while using digital devices? These are common symptoms of digital eyestrain.
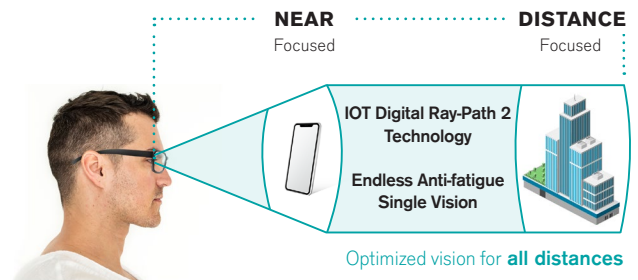

Endless Anti-fatigue Single Vision lenses provide **extra comfort beyond the use of digital devices**. They are appropriate for **all activities throughout your daily life**.

Give your eyes a break!
