"YOUR SUCCESS IS OUR VISION"

Illinois' Premier, Independent, Veteran-Owned, 100% Digital, Full-Service, Wholesale Optical Lab

Founded in 2005 by U.S. Army Veteran Chris Brundies, **AccuLab Optical** is Illinois' last *independent* surfacing lab and *one of only three* service-disabled, Veteran-owned lens labs in the USA. We're well equipped to handle any lens request using **advanced, 100% digital manufacturing**, while maintaining **personalized client care**. Our mission is to support your success with **premium-quality lenses**, delivered affordably and on time. Visit **acculab.net** or stop by for a tour to see how we can elevate your practice.
